STATE OFFICERS OF W. C. T. U. ATTEND SOCIAL SESSION

Urge Passage of Wright Bill In November; Organization Efforts Are Outlined

The passage of the Wright bill, to be presented to the voters in November, and which authorizes the state enforcement of the eighteenth amendment, and thus re-establish California to the status of other states that have already passed such a bill, was the plea of both Mrs. Julia D. Phelps, state vice president, and Mrs. Hattie C. Young, state recording secretary, in their talks last night at the public meeting of the Glendale W. C. T. U., which was held in the auditorium of the Harrower laboratory on East Broadway and which was attended by 125 people of the community.

Mrs. Ruby J. Smart, president of the local organization ,introduced Mrs. Marie M. Yeoman of Glendale, who is county president and who acted as chairman of the evening. Elder E. L. Neff of the Seventh-day Adventist church, led in prayer. Just preceding the regular program several numbers on the Ampico were very much enjoyed.

In presenting Mayor Spencer Robinson, Mrs. Yeoman stated that it was seldom that one had the privilege of introducing a mayor as a singer. He sang, "Jesus, Saviour, Pilot Me." In giving the greetings of the city he stated:

"The city officials of Glendale are proud of the Women's Christian Temperance Union. They will be back of anything that the union wants to do. One of the big things that the union is doing is that of loking over the literature being offered for sale in the city.

"In responding to this, Mrs. Yeoman stated that as the state W. C. T. U. convention meets in Glendale the last week in May this message

(Continued on Page 8)

Exposition Projects Presented Merchants

Two merchants' exposition concerns, one represented by Waldo T. Tupper and the other by Robert Cavenagh, presented their claims before the Glendale Credit Association yesterday and they were referred to the directors for final decision as to whether the business men here cared to stage a show.

W. R. Geisen of Tulsa, Okla., C. W. Van Valkenburg and Harry James provided entertainment in the way of songs, piano music and stories. A committee composed of Attorney Owen C. Emery and R. F. Kitterman, cashier of the First National bank, was named to draft resolutions on the merchants' license tax now under consideration by the city council.

Mrs. A. M. Williams Club Section Hostess

Mrs. A. M. Williams of 208 South Orange street entertained the members of the literary section of the Tuesday Afternoon club, of which Mrs. F. L. Hollingsworth is curator, at her home yesterday afternoon.

The program for the afternoon included current events, given by Mrs. E. Leavitt, Mrs. C. Jones completed reading the paper on "Religious Leaders of America." Mrs. R. E, Chase gave a very interesting paper on "The History of the Drama." The program was completed with the reading from the book "The Bill of Divorcement," by Mrs. John Dunn.

At the close of the afternoon refreshments were served. The next meeting of the section will be held April 24 at the home of Mrs. G. A. Wilson, 416 West Milford street.

Flat of 16 Rooms Now Under Construction

Work has been started on a sixteen-room flat building at 121 West Lomita avenue by B. W. Sherwood, designer and builder, for Frank Marshall, who is investing $12,000, in addition to the value of the lot.

Mr. Sherwood also has a crew busy on a six-room Spanish style house for R. N. Olson at 247 North Sumner street, Eagle Rock. Other jobs are under way in Alhambra and several contracts have been signed for the construction of mode homes in Glendale.

Easter Season Songs Program for Tonight

A community "sing" will be held after 7:45 o'clock tonight at the First Methodist church. Old familiar songs and hymns of the Easter season will be the program for the evening.

"These 'sings' are for everybody in Glendale who enjoy singing the old songs in a new way," said Mrs. W. Q. Widdows of 1318 East Harvard street, who is local representative of the community service.

HOW WELL DO YOU KNOW GLENDALE?

A UNIQUE newspaper feature will appear in tomorrow's edition of The Glendale Evening News. It is something new and will be of interest to the readers, as it will try and tell you Who's Who and Why in Glendale.

Prizes will be awarded to the ones who send in the most correct answers to questions that will be asked. It doesn't cost a single penny to take part in this contest. Send in as many answers as possible. Every one can join in—Mother, Father, Sister, Brother—all are welcome to try for the gifts.

You will find it entertaining and amusing as well as a better knowledge of your city will be gained.

Watch for the Who's Who and Why feature in The Glendale Evening News tomorrow!

Ain't Nature Grand? No Fakes In These!

By GEORGE

In the absence of the cat colyumnist and kid editor this week, everybody on the staff has been submitting "human interest stuff" and here is the sum total result of two days' decided effort:

Just Like Some Mothers!

Ha! ha! A hen playing nursemaid. Mrs. Peter J. Erickson of 3723 Revere avenue vouches for the veracity of this story.

The mother of seven three-weeks-old baby chicks has an inclination to lay around one egg a day, being a member of the hen-fruit producers' union.

Believing her duties to be purely professional, she has solved the problem of caring for her little ones at these periods of enforced absence by having another hen, looking much like herself, hover the chicks about the yard, treating them as if they were of her own brood.

However, it would be much more interesting if the rooster of the flock had to rounce the babies around, don't you think?

It would be much more modern—according to Olive Hoyle.

This Dog Is Pony, What?

Children of the Fairview district have a new playfellow.

H. W. Rohrer, who recently located on Austin avenue, brought a beautiful St. Bernard dog weighing 250 pounds, from Springfield, Ill., his former home.

"Aw, it's a pony," argued one chubby youngster with a neighbor boy yesterday afternoon.

'Tain't nuther. Jes' a dog, but I'll betcha it will be in the pitchers pretty quick."

Sure enough, Mr. Rohrer already as had several offers from film concerns to feature the shaggy animal which has a coat of coal black, having come from a coal country.

Doomed to Die Of Old Age

Lexie Allison, paint store proprietor at 105 West Broadway, boasts of a pet that almost equals the cricket on the hearth.

It is a turtle, for sixteen years a member of the family, and how old no one likely knows.

"I caught him for soup," said Mr. Allison, "but he goes to sleep for six months and I haven't the heart to disturb his slumber and when he's awake I am too busy to break the shell."

Sounds reasonable, anyway.

No More Of It Mr. Moore!

Here is one that is worse:

"Dinty" Moore today is advertising in the columns of The Glendale Evening news that he has a ringtail monkey for sale.

"Got to sell it," says Dinty, "for it is getting too loving."

And then he adds to his ad, "It looks like an Irish face."

Some patriotic Mick ought to massacre the poor thing, meaning the monkey, not "Dinty," who is Irish himself and oughta know better.

Society Circus to Be Given by Club, Plan

The members of the parliamentary law section of the Tuesday Afternoon club, of which Mrs. Harry Greenwalt is curator, will meet tomorrow, Wednesday, afternoon at 2:30 o'clock at the home of Mrs. S. H. Waller, 343 West Broadway. The question to be taken up for debate at that time will be "Resolved, that the quickest way to secure money for the new clubhouse is to have a Society Circus."

MRS. W. E. EVANS IS GUEST

Mrs. W. E. Evans of 333 North Orange street was the guest at a bridge-luncheon party given recently at the home of her sister, Mrs. L. A. Phillips, in Los Angeles. The table was centered in Easter decorations.

TWO MILLION MARK IN BUILDING IS NOW PASSED

Total of $2,150,402 Issued So Far This Year; April to Present Is $247,272

Glendale is now well over the two million dollar mark in building permits, as this morning over $2,150,402 worth of permits had been issued this year so far.

The total for April is $247,272 to date.

Among the most recently issued permits are the following:

City of Glendale, fire station, 1174 Rosedale Place	$ 4,300
N. J. Ramez, 3 rooms, 1427 East Rock Glen avenue	3,500
Mrs. F. A. Martin, 5 rooms, 460 West Stocker street	3,000
M. B. Kendall, 6 rooms and garage, 633 West Wilson avenue	3,000
Dick Michel, 5 rooms and garage, 248 Lorraine street	3,000
A. C. Hokelien, 5 rooms, 547 West Fairmont street	3,000
Hugh McClellan, 4 rooms and garage, 517 West Dryden street	2,000
Allie Vanderhort, 5 rooms, 1540 Fourth street	1,800
H. L. Hock, alterations, 912 North Pacific avenue	1,700
W. P. Taylor, 3 rooms, 1455 East California avenue	1,500
Chester R. Rettberg, 4 rooms, 521 South Verdugo Road	1,500
James E. ing. bakery, 628 West Elk avenue	1,000
R. Hillis, E. P. Becker, 4 rooms, 421 Rock Glen avenue	600
A. G. Arnold, 3 rooms, 722 Kenneth Road	550
Lydia M. Walker, 2 rooms, 1240 East Orange Grove avenue	500
E. Ramelli, 3 rooms, 625 West Elk avenue	150
John M. Wingert, addition, 407 Fairview avenue	125
W. H. Chase, garage, 826 East Colorado street	100
C. E. Springer, addition, 534 Oak street	

This Is Easter Week; Signs Are Everywhere

This is Easter vacation week.

If there are any children in the family—you know it.

If there are no children in the family—you know it.

For all of the Glendale youngsters are doing something out of the ordinary to attract proper attention to the rising generation.

In fact, they get the rise out of about everyone. Some who are supposed to peddle papers fail to show up. Others show up too early. Then they have taken odd jobs, gone to the mountains, off at the beach—everything as irregular as can be.

Other signs of spring include the appearance of the first "Kelly" hat with the accompanying "pajamas." The styles may come and the styles may go, but the straw hat comes back like the cat.

New L. A. Directory At The News Office

The Glendale Evening News office now has received a copy of the new 1922 Los Angeles City Directory, a book of 3292 pages of names and information. The population of the metropolis is estimated at 831,000.

SCHOOL GIRLS PLAN HIKE

The members of the Euodia Club of high school girls are planning to leave tomorrow morning, accompanied by Mrs. Howard L. Brown, on a three days' hiking party to the Arroyo Seco. They will attend a conference of the Euodia clubs from the various high schools. Those who are planning to go from Glendale include Inez Harrison, Gertrude Heideman, Grace Yarbrough, Mildred Sooy, Mildred Thompson, Mildred Cole, Mildred Elliott and Juanita Mulliken.

BIDS ARE TO BE RECEIVED

Bids for the new four-room unit to be built on the Columbus school grounds will be received tonight by the grammar school board of trustees. Supt. Richardson D. White stated this morning that the board anticipated that the cost of this construction with the work which is already under way will consume the balance of the $260,000 recently voted by residents of Glendale.

200 PERISH IN BIG FLOOD

LONDON, April 11—Two hundred persons have perished in a flood of the Dvina river at Dvinsk, said an Exchange Telegraph dispatch from Riga today. The flood was caused by the sudden release of an ice jam. Dvinsk is on the border of Latvia.

C. OF C. SECRETARY MAKES REPORT ON SECURING PLANT

Amalgamation of Two Industries and Bringing Concern Urged by Officials

The amalgamation of two California industries into one centrally located plant here with a quarter of a million dollars in assets, was recommended to the board of directors of the Glendale Chamber of Commerce this noon in a report submitted by Secretary James M. Rhoades, which is, in part, as follows:

"Pursuant to your instructions issued at your last meeting, April 4, 1922, directing I go to Modesto, San Francisco, with Mr. Ferlin and look over the machine works he proposes to move to Glendale, beg to report:

"I made the trip, leaving Glendale Thursday morning, made a thorough inspection of the Power Implement & Machine Works and its management and I found this company to be a going concern, housed in a building wholly inadequate to serve their needs. They have fifteen different machines installed with all the necessary equipment to run them. They are all beautiful machines, consisting of lathes, drillers, planers, grinders and other machines to carry on a first class machine shop. In addition they have a large stock of materials, such as are used in the conducting of a business of this nature, a fully equipped office, also a good stock of a certain tool they manufacture called a 'piston clamp.'

Net Assets of $56,000

"From a limited knowledge I have I am convinced the figures given me by the management of assets and liabilities are very conservative. The machinery stock and other items are given as $75,000, assets, with liabilities, $19,000, leaving net assets at $56,000. They are employing twenty people and from every appearance a most commendable enterprise and

(Continued on Page 7)

Tenderfoot Winner In Oratorical Contest

A "tenderfoot" is to have the honor of representing Boy Scouts of the Verdugo Hills district at the program Thursday night at the high school, according to H. F. Benner, scout executive.

The scout oratorical contest held Saturday afternoon in the high school auditorium resulted in first place being awarded to Gordon Bevans of Troop No. 3, Glendale. Among the boys who tried out in the final test were Clifford Wolcott of Troop No. 2, Glendale; Stuart Correll of Troop No. 1, Tujunga, and Floyd King of Troop No. 2, Burbank.

The judges were A. T. Cowan, publisher of The Glendale Evening News; Assistant Scoutmaster H. Benjamin Robison of 407 North Louise street; L. F. Collins of Burbank, and Scout Executive H. F. Benner.

"The contest was very close and it was hard to judge," stated Mr. Benner. "The point system was used and contestants were judged first upon delivery, second upon personal appearance and third upon personality."

Folks! Don't Start Conflagration Tonight!

A turkey carving contest will be staged tonight in the dining room of Fire Station No. 1 between Mayor Spencer Robinson and Fire Chief A. H. Lankford.

Members of the Glendale fire department will be guests of the city administration in recognition of their services during the past year. As a token of the municipality's appreciation of their work in rebuilding fire apparatus and saving the taxpayers a number of thousand dollars, this banquet was voted to them by the city council a number of weeks ago.

R. J. Scott, chief of the Los Angeles fire department, will be a guest of the occasion. A special invitation has been issued to H. C. Wilcox of 620 North Maryland avenue, who donated the property upon which the new Grand View fire station is being built. Harry Girard has also been invited.

The dinner, which will run the whole gamut of an epicure's feast, is being prepared under the direction of Mrs. Jack Thomas and will be served by the catering staff of the White Inn.

Another Linotype Added to Battery At The News Plant

"Slug Five" has been operating in The Glendale Evening News plant for the past few days without much publicity other than an announcement it would be here.

"Slug Five" is a new model 14 linotype machine, representing a heavy investment and giving this office a total of five linotype machines for the quick composition of the newspaper and job work.

Jack Hale is "breaking in" the new pet of the printers.

FILIPINO REQUIRES IRON HAND RULE, VISITOR STATES

W. R. Cooley, Here With Family From Manila, Tells About Conditions at Islands

Major General Leonard Wood misjudged the time it would take to win back the Philippines to the United States, according to W. R. Cooley, who, with his wife and daughter, have just arrived here from Manila to visit at the home of Mr. and Mrs. L. R. Black, 607 North Howard street.

Instead of the year which the great organizing force of the American army alloted himself for the job, it will take twenty months and maybe more, for the islands have sunk into business stagnation and political conditions of the past have been mainly responsible, according to Mr. Cooley, who was recently employed by Willits & Patterson of San Francisco as a copra explorer.

Twelve years is a long time to spend in the Philippines and among the Filipinos, who are the principal producers of cocoanuts from which the copra oils are obtained. So the family has come to the states to reside after reading the papers from southern California the last ten months. They wish to educate little Mary Elizabeth in the schools here.

Says Iron Hand Needed

Speaking of conditions in the islands, especially the unrest among the natives, Mr. Cooley believes the death sentences imposed on seventeen non-commissioned officers and the life sentences given seventy-seven privates of the native constabulary, who took part in the insurrection about fifteen months ago, will have a decidedly good effect on the morale of the Filipinos who are amendable to government if ruled with an iron hand.

Fortunately, the United States backs its governor general with several aides, the five supreme court judges and sufficient regular army units to keep law and order although the balance of governmental affairs are left largely to the people, according to the visitor.

Today's World News In Brief

(By International News Service to Glendale Evening News)

HEAVY STORM IS WHIPPING THROUGH WESTERN KANSAS

SMITH CENTER, Kans., April 11.—Western Kansas was battling against the worst April snowstorms in history today. Railroad snowplows were bucking against snow drifts six to twelve feet deep between here and the Colorado line. No train eastbound from Denver has yet been able to plow through the storm.

NORTHERN MICHIGAN FACES SERIOUS FLOOD DAMAGE

DETROIT, Mich., April 11.—Northern Michigan counties were faced today by the worst flood disaster in many years, as rivers and creeks, swelled by the fast melting snows and the heavy rains of the last forty-eight hours, overspread their banks, inundated thousands of acres of property and swept away trees, fences and buildings.

400 HOMELESS AT BEARDSTOWN, ILL., RESULT OF FLOOD

BEARDSTOWN, Ill., April 11.—Weakened by the pressure of the highest waters in the Illinois river's history which were whipped by a heavy gale, the levee broke shortly before noon today and twenty-six square blocks of the city were inundated. Approximately 400 people were made homeless. No loss of life has so far been reported.

FIVE VICTIMS OF MAD COW IN STREETS OF LINCOLN, NEB.

LINCOLN, Neb., April 11.—Four women and one man were knocked down and painfully trampled today when a mad cow dashed from an alley to the main business street of Lincoln and ran amuck in the crowds on their way to work. Mrs. Jesse Bozarth, the most seriously injured, is not expected to live. The other casuals will recover. The cow escaped.

FOUR PERSONS ARE DEAD AS RESULT OF HEAVY STORMS

KANSAS CITY, Mo., April 11.—Four deaths were reported today in the wake of storms which swept Missouri, Kansas and Oklahoma. Rivers and streams continued bankfull and lowlands were still inundated, but further flood danger was not expected. Jay Culbertson and Joseph Baker, farmers, were killed near Ash Grove, Mo., when their homes were wrecked. Mrs. Joe Herring was killed near Frederick, Oklahoma, by flying timbers. One man was drowned in the flood waters near Liberty, Kansas.

ELEVEN UNDER ARREST IN ILLINOIS ELECTION FIGHT

CHICAGO, April 11.—Eleven men, including William E. Brinkman, a member of the state assembly, were under arrest today, nine more were being sought as terrorizers of voters and a state senator, George Van Lent, was being sought as Chicago swung into what was expected to be a record breaking primary election. Brinkman was arrested on the charge of passing out a marked ballot in a Chicago polling place. Van Lent was sought in connection with the arrest of nine alleged "repeaters" in the eighteenth ward, Chicago.

'INNOCENT' MAN, IN PRISON 22 YEARS, IS GIVEN PAROLE

INDIANAPOLIS, Ind., April 11.—After spending more than twenty-two years in prison for a murder of which he still maintains he was innocent, Albert Musser, life termer, today was granted a parole by Governor McCray. Musser was sentenced to the state prison from Blackford county, January 6, 1899 for life for the slaying of Louisa Stulz at Portland, Indiana. The actual slayer was able to prove an alibi and thus escaped sentence. His name is not recalled. Musser, however, was held as an accessory in the crime and convicted.

BUCK PRIVATE DIES, HERO OF RIFLE RANGE TRAGEDY

SAN ANTONIO, Tex., April 11.—John A. Benner, of Baltimore, plain buck private, died today the hero of the explosion of pyrotechnics on the Camp Bullis rifle range last night. Into a crater of fire he plunged again and again dragging out his burned comrades, col-

(Continued on page 3)

Milk Comes Down! Also Over, Under and About—About Enough

When a newsboy this morning slung a paper in the general direction of a Casa Verdugo home, and—

His shot went wild, hitting one horse of a team harnessed to a Glendale Creamery milk delivery wagon, then

Things began to happen that were entirely unexpected, according to Alex McGowan who was busy delivering milk, for—

The first thing he knew the team was galloping south on Brand boulevard, across the bridge over Casa Verdugo wash, but—

Not until the careening cargo of lacteal fluid reached Doran street did an accident occur and then only, because—

The horses tried to cross the Pacific Electric railroad tracks where it is not paved and what was left of the wagon, well—

Wagon, milk, bottles and horses were pretty well smeared and motormen, conductors, bystanders and early risers in the bungalow courts nearby all joined in clearing the tracks and consoling Mr. McGowan with the thought, that—

Things are never so bad but what they might have been worse.

Boy Scout Troops to Take Hikes Into Hills

"The Easter vacation period this week means a great deal to Boy Scouts in the Verdugo Hills district," remarked H. F. Benner, scout executive, recently. "Practically every troop is planning either an overnight hike or a camping trip up in the mountains.

"Troop No. 1 of Glendale, in charge of Scoutmaster Robert Taylor, will take a trip to some nearby mountain and Troop No. 2, under the supervision of Assistant Scoutmaster H. Benjamin Robison, left Monday for a three-day trip to "Old Baldy." Troop No. 3 of which Frank C. Ayars is the scoutmaster, will take an overnight hike it is thought, up to the Big Tujunga region."

CENTRAL HOTEL IS SOLD; J. R. GREY PAYS $85,000

Secures 100 Feet of Improved Frontage on North Brand; Proposes Improvements

The Central hotel block, 116 to 122 North Brand boulevard, has changed ownership this week, the consideration for this 100 feet of improved frontage being approximately $85,000, according to J. R. Grey, the purchaser.

Mr. Grey, who owns an additional fifty feet to the north, states that the price he paid Bishop & Hull for the property was comparatively low when similarly constructed buildings on the opposite side of Brand boulevard are being held for $2000 per front foot.

"I believe that the property I got for $85,000 is fully worth $100,000 and I am in the market for more of it. The greatest deterrent to the block at present is lease holdings which do not permit of progress."

Ready to Make Changes

For instance, Mr. Grey owns the building in which the postoffice is located. He is occupying one room as his own office in order to keep the way clear to construct something better as soon as Uncle Sam gets around on Broadway.

H. C. Ellis, who has been operating a real estate agency from Mr. Grey's office, it is announced, has returned to his former work as commercial secretary, and has been employed by the Alhambra Chamber of Commerce.

Mr. Ells will be remembered for his transcontinental trip in which he distributed circulars advertising this city. It is one of the biggest pieces of individual enterprises ever attempted by a southern California booster and Alhambra gains a good citizen and loyal supporter of civic betterment in its new secretary.

Retired Ministers of Methodist Faith Meet

About 100 members and friends of the Retired Methodist Ministers' Association of Southern California assembled this morning at the First Methodist church on East Wilson avenue, where they are conducting their regular quarterly, all-day business and social meeting. The gathering is in charge of Rev. J. D. Albrook of Pasadena and Rev. C. R. Norton, 801 East Wilson avenue, of this city, who hold the offices of president and secretary, respectively, of the organization.

The day's program is scheduled to begin with a business session, which will include the annual election of officers of the association. Following this the guests enjoyed a luncheon, which was served in the banquet hall by the members of the Ladies' Aid society of the church.

In the afternoon the devotional services will be conducted by Rev. Edward Lee of Los Angeles, after which Rev. W. B. Collins of this city will extend an address of welcome to the society. A response will then be made by Rev. Albrook and the gathering will come to a close with the customary "Old-Fashioned Love Feast." The latter will be conducted by Rev. C. L. Stafford.

NEW LEAGUE SEEN, CLAIM

GENOA, April 11.—Either the creation of a new society of nations or expansion of the present league of nations will grow out of the international economic conference if the plans of Premier Lloyd George succeed, it was learned this afternoon.

The French believed that they had persuaded the British statesman to abandon his plans for an organization of powers to guarantee the peace of Europe for a specified number of years, but it is understood that Lloyd George already has approached other delegates on the subject.

FIRE DESTROYS GARAGE

Fire this morning destroyed the garage at 326 Concord street in which G. C. McConnell was living until the completion of his new home on the front of the property. An alarm was turned in at 5:45 a. m. by J. M. McDermott of 327 Chester street. The loss, which amounted to about $1000, was covered by insurance.

VISITORS AT LONG BEACH

Misses Elizabeth and Mary Simpson of 822 East Wilson avenue enjoyed a pleasant visit over the weekend with Mr. and Mrs. A. B. Cates of 1335 Walnut avenue, Long Beach.

MRS O'CONNOR IN HOSPITAL

Mrs. I. J. O'Connor of 308 Sinclair street is getting along nicely at the Glendale Sanitarium and Hospital, following a minor operation last night.

MISS CRAWFORD IS BETTER

Miss Elizabeth Crawford of 408 North Maryland avenue, who has been quite ill at her home, is much improved.

Questions on Radio and Their Answers

Question: Is it necessary to have stranded wire for an aerial?—M. A., Glendale.

Answer: No. Number 14 hard drawn copper or aluminum wire can be used, and it is less expensive than stranded wire. Standard wire has more surface area than single wire and therefore a lower radio frequency resistance.

Question: Will a vario-coupler work better with a crystal detector than a loose coupler?—A. D., Glendale.

Answer: No. The only advantage of using a vario-coupler is in connection with a vacuum tube detector; sharper tuning is possible on short wave lengths, due to small capacity effect between the coils.

Question: Sometimes my honeycomb coils do not work as good as at other times, and all the connections are good and the plugs clean. What could be the cause of this?—K. W., Glendale.

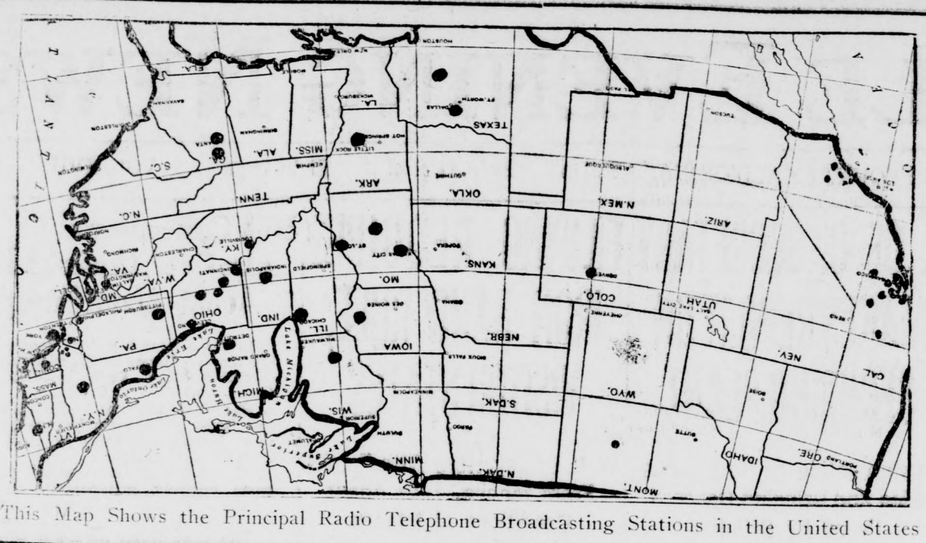
Answer: The insulation on the wire as well as the fiber binding straps absorb moisture which increases the capacity of the coils, causes leakage and reduces their efficiency. Bake them out good and dry, and give them a coat of colodium —new-skin.

Question: When I move my tickler coil too far away from my secondary, I hear a click in my receivers, and lose the signal; what causes this condition?—S. W., Glendale.

Answer: You probably noticed this when using the larger honeycomb coils. The click is caused by the detector tube ceasing to oscillate. When the tickler coil is moved too far away from the secondary coil the proper amount of feed-back from the plate to input circuit is not taking place. This adjustment is critical, and when lost, requires retuning.

Wearer is free from cold or chill, even in ice water. See the demonstration tonight at the Glendale Theatre.—Advertisement.

ALL RADIO PHONE BROADCASTING STATIONS LISTED



This Map Shows the Principal Radio Telephone Broadcasting Stations in the United States

States, Cities and Calls Are Given; Wave Length Not Furnished to Public

By WM. G. H. FINCH
Associate Member Institute of Radio Engineers

NEW YORK, April 11.—After considerable effort we are able today to publish a complete list of radio telephone broadcasting stations of the United States which have been licensed up to and including April 1, 1922. The map shows the principal stations.

Due to lack of space we are unable to publish the complete data concerning each station and we have had to omit the wave length, station owner and street addresses, as furnished us by the department of commerce, bureau of navigation, radio service.

The majority of these stations are operating from a 200 to a 365-metre wave-length. While a number of them have not a regular schedule of operation we are safe in saying the majority are broadcasting between 7:00 and 10:30 p. m. every day.

We shall publish from time to time all new stations that are licensed by the department of commerce.

ELECTRICAL POWER

When water flows through a pipe it encounters the resisting effect caused by friction between itself and the inner wall of the pipe. Some of the mechanical energy of the water is used up in overcoming this friction and is changed into heat energy. Friction between two blocks of wood will auso cause some of the mechanical energy exerted to be transformed into heat, and the blocks get warm. In fact, friction anywhere causes heat to a greater or lesser extent.

It is not hard, then, to imagine that electrical energy may be transformed into heat when a current of electricity encounters resistance in its path of flow, which we call a circuit. There is no circuit possible which has absolutely no resistance; therefore, whenever an electric current flows there must be some work done in overcoming the resistance of the circuit. That is, some energy must be converted into heat, however little it may be. It is quite possible, however, to create such a high temperature in a wire as to melt it.

The amount of heat created is proportioned to the resistance being overcome, the length of time the current is flowing and the current strength times itself. Expressed in a simple algebraic equation, this is:

Energy expended equals Resistance (in ohms) X Time (in seconds) X Current (amperes) X Current (amperes).

Any quantity multiplied by itself once is called the "square" of that quantity, so "Current" times itself equals "Current squared."

Now, the rate at which this energy is expended, or the rate at which the work is accomplished, is called the "power." And since we are speaking of electricity we may call it "electrical power." The electrical power is, then, of course, the total energy expended in a certain length of time in seconds divided by that number of seconds. In other words, it is the amount of energy expended every second. The unit of electrical power is the "watt," named after James Watt, who did considerable work on the earliest steam engines. Expressed algebraically, electric power, or we may say simply "power," is as follows:

Power (in watts) equals Current (amperes) squared times Resistance (ohms).

The watt is at times rather a small unit to use, so a unit calld "kilowatt," which means 1,000 watts, is often used.

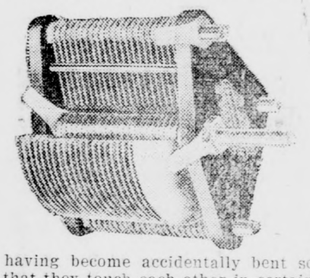
Why not have a fat little turkey for Easter Sunday dinner, from the Perfection Turkey ranch. Phone Glendale 816-J.—Adv. 4-12

NEW APPARATUS AND DEVICES

By RALPH BROWN
RADIO ENGINEER, CUTTING AND WASHINGTON RADIO CORP.

A VARIABLE CONDENSER FOR PANEL MOUNTING

A variable condenser for the new radio receiver cabinet should be selected with care. One of the principal sources of trouble is the short circuiting of the plates, due to their



having become accidentally bent so that they touch each other in certain postions. This happens most often when the spacers separating the plates are cast.

A condenser has been brought out which eliminates the possibility of such short circuits if reasonable care is exercised. Individual spacers are used to separate the plates. The plates are of heavy stock to further prevent bending, the thickness of each plate being .022 of an inch. The stop acts on all the moving plates so that if they are rotated hard up against the stop a few of them do not become displaced and have to be reset. The shaft is of brass, which is a non-magnetic metal. A steel shaft would be hopelessly inefficient. This shaft turns in a solid brass bushing, which extends right through the condensite condenser head. Condensite is a very efficient insulator. A set screw and locking lever are provided for a delicate friction adjustment when desired. All studs are exactly spaced, making the condenser easy to mount.

It is claimed that this condenser has minimum losses, and the claim seems entirely reasonable, since the distance between opposite polarities is 1¼ inches.

There are a total of forty-three plates, stationary and rotary, and the maximum capacity is .0011 microfarad, with a very low minimum.

The condenser is very accurately made and should appeal to a number of radio enthusiasts who prefer to "build their own."

Formation of Radio Club Is Discussed

By GEORGE VAN SANDS
Radio Editor, The Evening News

Great interest is being shown by the number of replies being received by the radio editor on the forming of a radio club as outlined in this column last week. This idea already has the endorsement of quite a number of the business men of Glendale, together with a number of real technical radio experts living here.

We are glad of this backing, in fact could not expect to get along without it, but do not want it understood that membership is to be confined to this class. On the contrary, we expect to draw our greatest numbers from the ordinary layman who knows little or nothing of this new science, and we want everyone to feel free to join, regardless of any previous knowledge on the subject, or whether or not you possess a receiving set.

No membership fees or dues are in order or even contemplated. It is simply a 'get together' spirit of bringing together all of those in any wise interested in radio.

Just send your name and address to the radio editor, no obligation of any description will be incurred, and watch for further announcements on the subject through this column.

'Spinner In the Sun' Given Preview Here

"A Spinner in the Sun," was previewed at the Glendale Theatre last night and at the close of the presentation, the audience completely filling the house, gave Director Lloyd Ingraham a splendid ovation.

It is not the Myrtle Reed story—which is morbid; or is it the acting of any one particular person—which is good for the most part; but "A Spinner in the Sun" will be a big box office success because it appeals to the psychology of women and it gives them thrills that only a woman writer can do. The philosophy is peculiar to herself.

The photography is excellent and from an artistic standpoint the picture is pretty nigh perfect; the direction is comprehensive and shows a close study of the characters; but some of the action is forced and together with too much dialogue, there is room for "snapping it up" a bit in further cutting of the film.

Particular interest of Glendale people was evinced last night in Landers Stevens, a local star, who portrayed the leading role of Dr. Dexter.

DEPARTMENT IS ENLARGED

The shoe department of A. A. Jackson's men's furnishing store at 120 East Broadway has been enlarged to make room for a large shipment of Emerson shoes.

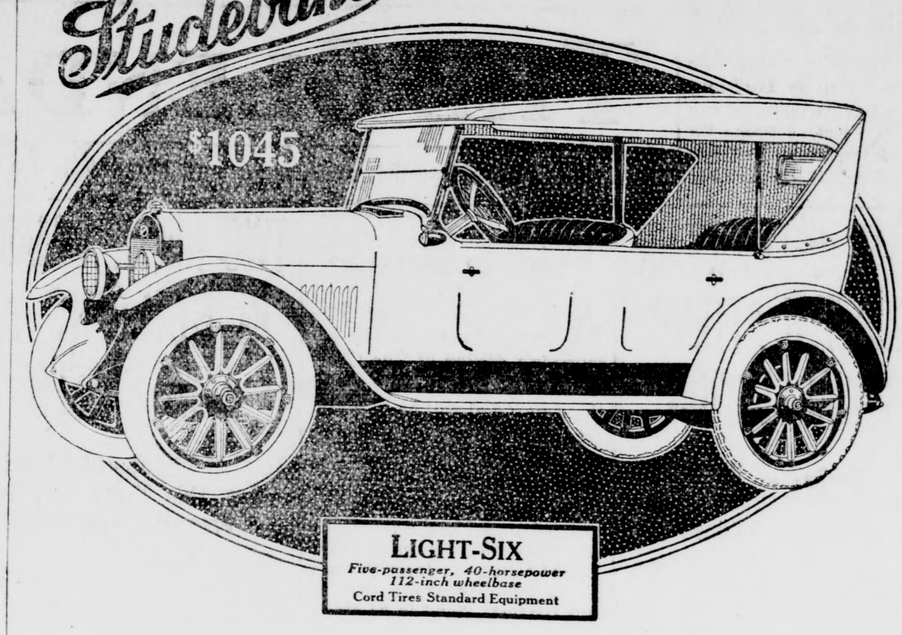
Studebaker



LIGHT-SIX
Five-passenger, 40-horsepower 112-inch wheelbase
Cord Tires Standard Equipment

THE Studebaker LIGHT-SIX will appeal to every buyer who wants a low-priced car that will be satisfactory in performance, appearance, comfort and endurance.

And in addition to its recognized superiority in these essentials, the LIGHT-SIX carries refinements found only on more expensive cars.

The LIGHT-SIX is equipped with cowl ventilator operated from the instrument board; cowl parking lights; inside and outside door handles and large rectangular plate-glass window in rear curtain. A thief-proof transmission lock, which reduces the rate of insurance to LIGHT-SIX owners 15 to 20 per cent, and cord tires are also standard equipment.

Long, semi-elliptic springs (50-inch in rear; 36-inch in front) and soft, genuine leather upholstered cushions, nine inches deep, provide unusual comfort.

Its 40-horsepower motor delivers ample power for the hard pull. And vibration is practically eliminated by Studebaker's method of machining the crankshaft and connecting rods.

The intrinsic value of the LIGHT-SIX is unmatched at anywhere near the price because Studebaker does not skimp on materials or workmanship but uses the best. It is built complete in the most modern and complete automobile plant in the world, making possible its low price of $1045, f. o. b. factory.

Studebaker has been building quality vehicles and selling them at fair prices for nearly three-quarters of a century and is the largest builder of six-cylinder cars in the world.

Touring, $1275; 2-Pass. Roadster, $1275; Coupe, $1615; Sedan, $1995
All prices f. o. b. Glendale

THIS IS A STUDEBAKER YEAR

Join Our Battery Life Extension Institute for $20.90

That's our trade-in price for a 6-volt Prest-O-Lite Battery for popular makes of light cars. We have types for heavier cars priced correspondingly low.

When you get a Prest-O-Lite Battery, you have joined our Life Extension Institute for Batteries. You have started right with a Prest-O-Lite, and Prest-O-Lite Service will prolong the life of your battery.

Prest-O-Lite Batteries live longer, and die slower than any other make. It's their backbone of famous Prest-O-Plates that makes them live to a ripe old age. The plates that do not forgo *porosity*, to obtain *hardness*. Plates with *ready power* in *winter*, combined with great, *non-buckling*, heat-resisting *strength* in *summer*.

That's why 87 leading manufacturers specify Prest-O-Lite Batteries as original equipment, and—"the list is growing."

How is your battery pulse? If it is low and weak, let our experts diagnose its trouble, no matter what make of battery. Our friendly advice and attention will put it in shape if it can be done, and we never tell you that you need a new battery until you do.

Come around and enroll your battery in the Life Extension Institute of the oldest organized service to motorists.

PURITY—

Once again we have proven that our slogan of the **best milk for baby** is true, as Lutge Bros.' Milk of Burbank has again been awarded **first place** in the Los Angeles Health Department scorings covering the past four months with the wonderful score of 98.3. This is the same milk that won us **first place** at the recent San Fernando Fair with a score of 97.6, competing with 33 other dairies. If you are not getting this pure milk, your family is not getting the best.

Distributed exclusively in Glendale and vicinity by the

Locals and Personals

F. L. Gray of Los Angeles was in Glendale during the past week visiting with former army acquaintances.

Mr. and Mrs. J. L. Gray of 533 North Isabel street spent the week-end at Palm Springs.

Mrs. Daniel Campbell of 1750 North Highland avenue will be hostess on Wednesday, April 19, to the members of Glen Eyrie social club.

Mr. and Mrs. E. N. Robinson of Hollywood were in Glendale during the past week-end visiting with friends.

Mr. and Mrs. H. C. Levey of 811 South Glendale avenue entertained as their guests at dinner Saturday night Mr. and Mrs. W. M. Harker and Mrs. Barnes, all of Los Angeles.

On Tuesday, April 18, the members of the Masonic lodge of Burbank will be guests of Unity lodge, No. 368, F. & A. M., of Glendale, and will confer the third degree.

Mr. and Mrs. Edward Kull of 311 West Colorado street entertained as their guests over the week-end, Mr. and Mrs. H. C. Neumann and son, Harry Neumann, Jr., of Los Angeles.

Ed S. Norton and two children of Los Angeles were in Glendale on Sunday afternoon visiting at the home of Mr. Norton's parents, Rev. and Mrs. C. R. Norton of 801 East Wilson avenue.

Mrs. Fred Anderson of Tujunga was in Glendale Monday afternoon visiting with relatives and former neighbors. Mrs Anderson is an old time resident of this city, having moved from here to her present home several months ago.

Richey Jones of 276 West Lexington Drive, with Gene Lundregan, and Wendell Snyder were members of a party that climbed Mt. Verdugo Monday, taking their lunch with them and spending the day quite near the clouds.

Mr. and Mrs. C. W. Hilliard and their daughter, Phyllis Hilliard of Los Angeles, spent the past week-end visiting with friends and relatives in this city. Prior to her marriage Mrs. Hilliard was known as Miss Alma Norton of Glendale.

Mr. and Mrs. John Williams of Victor, Colo., are spending several days visiting at the home of their cousins, Mr. and Mrs. Jack Williams of 336 West Park avenue. The visitors are enjoying a several weeks' trip to California and other western states.

Mr. and Mrs. Charles Fritz of the Fritz Apartments and Mr. and Mrs. Landon, and two children, all of Los Angeles, were Sunday guests of Mr. and Mrs. Jack Lundregan of 308 East Maple avenue. Mr. Lundregan motored down from Ventura for the week-end and will leave again today.

Miss Madeline Love, Miss Murray Longley, Miss Esther Besant, of Glendale, and Miss Norma Walker of Los Angeles were members of a party that spent the week-end at Roberts Camp. They report the trail in good condition and enjoyed the six-mile hike as well as the outing in the canyon.

Mr. and Mrs. A. L. Ferguson of 525 North Jackson street attended the Stanford University banquet given Friday night at the City club in Los Angeles. Mrs. Ferguson is a graduate of Stanford university. On Wednesday she will attend an informal luncheon to be given by some sorority friends in Los Angeles.

Mrs. Newell Vincent and her infant son, Chandler Hurlbert Vincent, left the Glendale hospital this morning and are now at the home of Mrs. Vincent's parents, Mr. and Mrs. E. C. Hurlbert of 348 West Park avenue. Both mother and son are progressing nicely. The newcomer was born on Saturday, April 1, 1922.

Mirza Almad Sohrob, former secretary of the Persian Legation and head of the Persian American Educational society, has announced that he will give an address on the subject, "The Reality of Jesus, the Christ," on Wednesday night of this week at the home of Mr. and Mrs. L. S. Neiville of 326 East Cypress avenue. All interested persons are invited to attend the affair, which will begin at 8 o'clock.

Mr. and Mrs. D. L. Glenn of Ashland, Ore., were the guests on Sunday of Mrs. Adelaide H. Imler of 336 West Park avenue. Mrs. Imler has been acquainted with Mr. and Mrs. Glenn for a number of years, they having been neighbors more than fifteen years ago. Mr. and Mrs. Glenn, who have resided in this city on several different occasions, are spending the winter and spring months visiting with relatives in Sawtelle.

Locals and Personals

Mrs. Mae Rosenberg of 462 Riverdale Drive is ill at her home with bronchitis.

Mrs. L. C. Danforth of 450 Riverdale Drive spent yesterday as the guest of her mother, Mrs. Fields in Los Angeles.

Mrs. Mary Slavelle of Pomona was the week-end guest of Mrs. Claude Case of 343 North Maryland avenue.

Mrs. C. B. Guittard of 524 Patterson avenue was the luncheon guest yesterday of Mrs. G. A. Mangun of Los Angeles. Miss Hunter of Los Angeles was the over-night guest last night of Mrs. Guittard.

Mrs. Rose R. Colton of Los Angeles was the Sunday guest of Mr. and Mrs. W. L. Colton of 111 South Central avenue. In the evening they entertained Mr. and Mrs. R. E. Helman of Los Angeles as dinner guests.

Mr. and Mrs. A. L. Baird of 637 North Orange street motored to Santa Barbara Saturday where Mr. Baird attended the Shriners' conclave. On Sunday they, accompanied by Mr. Baird's parents, Mr. and Mrs. J. S. Baird, took a trip over the Ridge route.

The members of the Glendale Alpha Delphian group, which is a national study club, will meet Thursday morning, April 13, at 10 o'clock, at the home of Mrs. Albert Chase, 400 West Riverdale Drive. The Glendale chapter of this club was recently organized, with Mrs. H. W. Sawyer as president.

Mr. and Mrs. R. E. Olin of 400 North Isabel street entertained as their guests on Sunday, Mr. and Mrs. Frank Briscoll and son and daughter, Allen and Josephine, Mr. and Mrs. Joe Beach and daughter, Thelma, Miss Maude L. Hulsizer and Miss Hazel Baly of Los Angeles, Mrs. William Percival and daughter Willabelle of Pasadena.

Billy Blakie, age 7, and his brother Jack, age 5, are enjoying an outing at Long Beach today as a special treat in celebration of their birthdays, Billy's occurring Monday and Jack's today. They were accompanied by their father and mother, Mr. and Mrs. W. F. Blakie of 1113 Viola street, and their grandmother, Mrs. Case. The boys were made happy Monday night at family dinner by two pretty birthday cakes with lighted candles.

The regular weekly meeting of Group No. 2 of the Glendale Hi-Y society was called off last night, due to the fact that most of the members are away on a camping trip to Antelope Valley. The boys, who are being "chaperoned" on the outing by G. Edwin Murphy, their group leader, left Saturday morning, via machines, and expect to return to Glendale before next Sunday. Those who made the trip are Neil McIver, Theodore Haig, Lee Payne, Livingston Thom, Norman Begg, Cecil Wilson, Laufman Jeter, Paul Edmonds, Newton McGillis and G. Edwin Murphy.

When Mr. and Mrs. Charles Ritter of Anaheim were entertained Sunday afternoon with a motor trip around Glendale, by their host and hostess, Mr. and Mrs. A. Houston Jones, they were so deeply impressed with the business possibilities of the city that before taking their departure they made definite plans to locate here. Mr. Ritter will arrive this week to decide on a business location. Mrs. Ritter is connected with the schools in Anaheim and will remain there until the close of the session. Mr. Jones and Mr. Ritter were together in government service when both were stationed at San Diego.

Rev. C. R. Norton of 801 East Wilson avenue, who recently severely injured himself by slipping on the sidewalk on the corner of Broadway and Glendale avenue, is gradually recovering from the accident and is now able to sit up several hours each day. He hopes to be able to walk again within the next few days.

The regular bi-monthly business and social meeting of the Lester Myer chapter of the War Mothers of America will take place tomorrow afternoon at the home of Mrs. Ella Richardson of 317 North Brand boulevard. All members and those eligible to become members are urged to be present promptly at 2 o'clock by Mrs. J. B. Sherwood, president of the organization.

Mrs. Robert C. Plume, who very recently moved into a pretty new home at 328 West Burchett street, entertained yesterday with a very daintily appointed luncheon, in honor of her mother, Mrs. H. M. Butts of Arden avenue. The table was centered with California poppies and the Easter motif carried out prettily in the favors and place cards. Guests were intimate friends and relatives.

Locals and Personals

John Diederich of 1526 East Colorado street has as his guest for several days Edwin Foss of Downey.

Mrs. S. E. Allen of 352 West Lomita avenue will be hostess tomorrow to a group of Los Angeles friends at luncheon and cards.

Dr. and Mrs. Colin Cable of 505 South Columbus avenue were Sunday dinner guests of Mr. and Mrs. Charles M. Turck at the La Crescenta Hotel.

O. E. Von Oven of Glendale will give a scripture reading at the Sunrise Easter Service to be given at Eagle Rock under the auspices of the Women's Twentieth Century club of that city.

Mr. and Mrs. Clark C. Johnson of 638 North Jackson street will entertain at dinner tonight Mr. Johnson's parents, Mr. and Mrs. T. W. Johnson and Miss Carolyn Johnson of Los Angeles.

Mr. and Mrs. H. S. Clewett of 526 East Windsor road entertained as their guests at a dinner party Sunday Miss Elsa Roeder and mother, Mrs. Roeder, Mrs. Mary Phillips and Clyde Phillips.

Mrs. R. C. Plume of 322 West Burchett street entertained as luncheon hostess yesterday. Her guests included Mrs. R. L. Holland, Mrs. Mary C. Grayson and Mrs. R. M. Butts.

Mr. and Mrs. John Streeter of Holtville, Cal., arrived in Glendale Sunday and are guests at the home of 626 West Myrtle street. Mrs. Potts chett street. Mr. Streeter is manager of a 640-acre stock ranch at Holtville and also has extensive business interests in Wisconsin, being the owner of a large mercantile store.

Mr. and Mrs. E. H. Botsford entertained Saturday night at a dinner party a group of Los Angeles friends. On Sunday they entertained Eugene McAdams, Mr. and Mrs. George McAdams and Mr. and Mrs. Chauncey McAdams, all of Hollywood.

Births

Donna Claire Fletcher, daughter of Mr. and Mrs. Guy D. Fletcher of 317½ West Belmont street, arrived yesterday, Monday, April 10, 1922, at the Glendale Research Hospital.

Deaths and Funerals

NEEVA M. POTTS

Neeva M. Potts passed away April 10, 1922, at her home at 626 West Myrtle street at the age of 55 years. She leaves a husband, Dr. George W. Potts, and two daughters, Mrs. Leila M. Emith and Miss Esther L. Potts of 626 Dest Myrtle street. Mrs. Potts had resided in Glendale about two months, coming here from New Lancaster, Kansas.

Funeral services will be held tomorrow afternoon at 1 o'clock at the Little Church of the Flowers. Rev. E. E. Ford of the First Baptist church will officiate. Jewel City Undertaking company in charge.

Matthews Confectionery Makes Its Own Goods

"Matthews"—the new confectionery at the corner of Orange street and Broadway—boasts of a distinction that they make all they sell, from the finest bon bons to the hard candies the children like so well.

They also make their own ice cream and at the soda fountain a member of the family dispenses the drinks which will make their place a haven on the hot afternoons of the coming summer season.

A visit to the Matthews candy kitchben reveals the latest in modern machinery for mixing and cooking the sweets and practically all of the caramels, fudge, nougats, etc., are original creations although the recipes have been handed down from generation to generation of the best candy makers in the old and new worlds.

Mr. Matthews has been engaged in the manufacture of confections for a life time and his two daughters and son are associated with him in the store here—a model of neatness and attractiveness. All of Glendale will be pleased to visit such an institution.

FEAR COUNTER REVOLUTION

DUBLIN, April 11.—The possibility of a counter revolution against the Irish provisional government at Eastertide hangs over all Ireland today like a pall of darkness. This coming Easter will be the sixth anniversary of the famous Dublin uprising when violence swept the city and an Irish republic was declared.

This suit will sustain the wearer and several other people.—Advertisement.

Arrest Local Youths in Automobile Thefts

Again several Glendale homes are stricken with grief at the exposure of an alleged band of automobile theft suspects who today are languishing in the Los Angeles jail.

The Auto Club of Southern California for weeks has been on the trail of the gang, which their detectives allege have been responsible for crimes ranging from purloining a battery to stealing motor cars.

While most of them lived in Glendale, Hollywood, and Pasadena, Los Angeles have been the scene of their crimes, it is declared by an auto club official. W. W. Wood and M. B. Towman of the auto club and Police Chief John D. Fraser of this city obtained the evidence which is said to be particularly strong against Earl Gibbs, aged 22, of 331 West Acacia avenue, and Donovan P. Yates, aged 19, of 329 West Acacia avenue, the latter being well known as driver of a delivery car for a newspaper combination. He is said to be the son of a prominent eastern Episcopal rector.

Three other boys, two living here and another in El Monte, have been interrogated as material witnesses to Gibbs and Yates were preparing a flight to the east in a stolen machine, but their arrests interfered with the plans.

According to Auto club officials, several machines were taken to Tia Juana by members of this gang and that there is some prospect of recovery, if convictions are obtained.

Who Hurled Rock at Music Shop's Window?

W. A. Kenny has had a Columbia Record Book "thrown" through the display window of his music shop at 203 North Brand boulevard, much to the interest of young and old, who wonder how it was done. It is the first time this optical illusion has been used in Glendale in recent years. Other windows are apt to be "broken" now.

"Next week we will have a dollar rolling up hill," says Mr. Kenny.

lapsing only when there were no more alive in the fiery pit. The explosion has already cost two lives. Nine soldiers were dying today and two others were seriously burned. There were forty-three men in the rifle pit when a rocket backfired and set fire to a huge "dump" of pyrotechnics being used in a night firing problem by troops of the Seventh infantry.

PERMANENT TARIFF BILL FAVORABLY SENT SENATE

WASHINGTON, April 11.—After many months of delay, the so-called permanent tariff bill, radically different in many important respects from the form in which it was passed by the house last year, and revolutionary in some of its new administrative and other vital provisions, was finally reported favorably to the senate today by the republican majority in control of the senate finance committee. While conceding that the bill would cause living costs to soar in some instances, to even world war levels, administration officials contend that the general effect of the proposed "tariff wall" would be beneficial to the country as a whole and would restore prosperity and maintain production and wages at such a high standard as to justify whatever high prices might ensue.

Bible and Missionary Conference

Christian Alliance

To Be Held At

Glendale, California

Thursday, April 13 to Sunday, April 16

The Sport Crucible

By Davis J. Walsh
International News Service Sports Editor

NEW YORK—For lack of something better to do the boys were standing around the lobby of the Battle House at Mobile some nights ago discussing this and that and their plurals, these and those, with neither restraint nor reservation. Among the subjects that came up for mutual consideration was the elevation of Mr. B. Ruth to the captaincy of the New York Yankees.

The comment, by the way, was not altogether favorable. Indeed, a subtle disposition to spoof the matter might have been noted in the undercurrent of the conversation.

Suddenly up spoke a quiet voice from the edge of the crowd:

"I think he will make a very good captain."

They turned on him avidly, pleased that someone had offered himself as a sacrifice to expert opinion. But they thought better of it the next moment. The speaker was George Sisler, great first baseman and great hitter and not exactly the kind of person one selects, offhand, to make the object of airy persiflage.

Supplementing his remark in the respectful silence that ensued, Sisler continued:

"Ruth is not only a great ball player but a good team worker. He also is thinking all the time and I don't think there is a player in the league who makes better use of whatever speed the Lord gives him. My idea is that Ruth, given this responsibility, will exert a great influence upon the players. They will all respect him, and, if they don't, a fine battle will be on someone's hands."

The more we think of Sisler's argument the better we like it. Miller Huggins is not noted for his ability to keep his ball players happy and contented, and sometimes makes the mistake of playing up to one more than the other.

Ruth, as a first lieutenant, will make a grand buffer between the manager and his players. The chances are good that with Ruth as field captain, there will be considerably less dissatisfaction in the ranks of the Yankees this season.

Sports Chatter

By Bill Unmack
Pacific Sports Service

The box scores of the opening days play of the Pacific Coast Baseball league looked considerably like a "blue book" of major leaguers. Each of the eight teams of the league have various former majors in their line-up, many of them being world famed in the heyday of their major league existence.

These former major leaguers have naturally lost some of their former speed and some of the present day youngsters are likely to make the old timers step lively to hold their berths, several of the men on each team still being more or less "on trial."

Jack "Dots" Miller, who at one time was a side kicker of Honus Wagner starts the season as manager of the San Francisco Seals. Pete Kilduff, formerly with Brooklyn is another new face with the Seals this season and looks to be one of the best of the majors who have just recently dropped down from the majors to the minor league.

That once greatest of all round athletes, the Indian, Jim Thorpe, is with the Portland Beavers. While he never made any sensational hit in the National league, he has always been more or less in the limelight and has already started to prove a drawing card on this Pacific Coast circuit. Sargent, who was with Detroit last year, is also with Portland.

Duffy Lewis is still a great ball player and his .401 batting average—the first man to ever hit that clip in the Coast league—makes him a prime favorite with the crowds on the coast. He is managing the Salt Lake Bees.

The Los Angeles Angels have several former majors, headed by Red Killefer. Other former big leaguers on this team are Crandall, McCabe, Griggs and Carrol.

Hod Eller is now with the Oakland Oaks, and other former men of the big brush with the Oaks are Herb Brenton, Bill Marriott and Harry Krause. Charlie Pick, Billy Orr, Molly Mollowitz, Merle Kopp, Pete Compton and Buddy Ryan are all drawing salary from the Sacramento Senators.

A number of the players mentioned have been through world series battles. They may lack in youth and vigor what some of the youngsters possess, but they have inside knowledge of the national pastime that gets them by. Furthermore, their experience acts as a balancing influence on the younger players. The steadiness and experience of these players plays its part in stabilizing the whole team and acts as a stimulus for the younger generation.

The World Over

By Franklin B. Morse.
Pacific Sports Service

Jack Dempsey says he would be charmed to meet Bill Tato in the ring. Why not? It would be both remunerative and safe.

The University of Missouri and the University of California are slated to meet in a dual track and field competition at Berkeley, Calif., on April 15. The Californians will have all the better of it for the reason that they not only have been working outdoors but already have engaged in a couple of regular meets. That's where "sunny California" comes to the aid of her athletes.

As far as we are able to determine, there will be no competition on the Pacific coast as far as the shot put is concerned. Managers of meets in which Hartranft of Stanford University is entered are advised to wrap up first prize and mail it to him. It will save them the trouble of handing it to him later.

They must be paying good stipends in the wrestling game when a wrestler can hop over to Honolulu from San Francisco for just one bout and then hop back again. Santol, the San Francisco light heavyweight, will make the trip shortly and be gone just long enough to change into his wrestling trunks and then back again into his street clothes.

Dr. Paul M. Hunter, California state amateur golf champion, is expected to hold onto his laurels this year. Any passing of the title will come in the nature of a surprise to the majority of golfers. He is playing well up on his game. His next competitive play will be in the Southern California championships to be played at Pasadena and Los Angeles, where the play will rotate from day to day during the tournament.

Baseball fans of San Francisco are trying to determine whether Chief of Police Dan O'Brien, who caught, or failed to catch, the first ball of the season, is a cheese as a catcher, or whether Mayor James Rolph, Jr., who pitched the first ball, is a shine as a moundsman. At all events that battery work for the first pitched ball was an awful flivver. It is said that Daniel didn't even get his mitt on the ball.

Willie Ritchie, former lightweight champion of the world, is a golf enthusiast. He has a small daughter and he has promised himself that she will, some day, be the champion lady golfer of the United States. Willie is teaching little Miss Ritchie how to shoot. "I am sticking to the game, too," said Ritchie, "because it would be humiliating to be beaten later by your own little girl."

Demonstration of life saving suits at Glendale Theatre tonight. These are the suits which saved the sick boys' lives when the President Lincoln went down; also Hawker and Grive, the English aviators.—Advertisement.

Glendale Welding and Radiator Works Opens

The Glendale Welding & Radiator Works is a new industry that has just been established at 616 East Wilson avenue, by William L. Heyn and Joseph Dunklin. The firm will make a specialty of all manner of welding and brazing and will repair and rebuild radiators, etc. Both members of this new enterprise are said to be experienced men in their line of work. Mr. Dunklin coming here from eleven and a half years' continuous experience with one of the largest lead welding concerns in the east. Mr. Heyn has lived in Glendale for the past year and a half, having been a welder in the employ of the Glendale Sheet Metal Works.

What the Kidneys Do
Their Unceasing Work Keeps Us Strong and Healthy
All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—which vary widely but may include pain in the back, headache, nervousness, hot, dry, skin, rheumatic pains, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right the danger is overcome. Doan's Kidney Pills have proven an effective kidney medicine.
J. M. Smith, 1571 East 33rd St., Los Angeles, Cal., says: "Doan's Kidney Pills put my kidneys in good condition and I gladly recommend them. I had severe backaches that made it difficult for me to do any stooping or lifting. My kidneys acted irregularly. I used Doan's Kidney Pills and they soon cured me. My back is now well and strong and I have had no further trouble." 60c at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

IF KIDNEYS ACT BAD TAKE SALTS
Says Backache is Sign You Have Been Eating Too Much Meat
When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.
Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.
Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure and makes a delightful, effervescent lithia-water drink. —Advertisement.

SPRING BUSINESS PLEASING TO SOUTHERN GLENDALE

News Notes and Personals Concerning Residents at This City's Gateway

CONCERNS ENLARGING PLANTS TO CARE FOR TRADE

Reliable Drug Service George Black's Slogan

George Black's drug store at the corner of San Fernando and Los Feliz roads, in the gateway section of Glendale, boasts a location which is passed daily by more people than any other apothecary in the city, he declares.

With this prominent position to fill in the community, where hundreds of customers tarry for anything, from a newspaper or soda to a carefully filled prescription or toilet requisite, Mr. Black has made his store known for its service and reliability.

Absolute reliability in the matter of prescriptions is no idle boast and a prompt delivery service makes his store one of the most accessible in the moment of an emergency. While a large share of the business is transient, the gateway people have grown so accustomed to trading at Black's corner drug store that they even call around in the evenings as a matter of form for a friendly visit.

Hall Brothers Offer Unlimited Guarantee

Hall Brothers are those accommodating repair men who operate the South Glendale garage at 1416 South San Fernando Road. Both are former service men and boast of doing their work right, or doing it over again free, which is an almost unlimited guarantee. They conduct a battery service in conjunction with their business and get a great deal of trade from transients who appreciate.

SHOP FOR SHOE REPAIRS

South Glendale is to have another shoe repair shop. J. B. Murphy of San Fernando is now fitting one up at 1502 South San Fernando Road. These premises belong to George E. Schram of 1224 South San Fernando Road and were occupied until recently by Mrs. Rebecca Dunsford, who has now moved her dressmaking establishment to her home at 1508 Gardena avenue. Owing to the fact that his three children, Harry, Dorothy and Evelyn, are in school in San Fernando, he does not expect to move to Glendale until the summer vacation.

ELIZABETH PLUMMER ILL

Miss Elizabeth Plummer of the Central Hotel has been prevented from attending to her duties at the Baldwin Shirt Factory, 1725 South Brand boulevard, on account of illness for the past few days.

PAMELIA CARR IS AT HOME

Miss Pamelia Carr, who is attending the Westlake School for Girls in Los Angeles, is spending the Easter vacation with her father, George B. Karr, at 1150 North Louise street.

MISS HELEN BEST BETTER

Miss Helen Best is now recovering from an attack of poison oak at her home, 1317 South Central avenue.

OF COURSE! SPRING'S HERE

"The sky must be full of kites," remarked Mrs. C. L. Brenkman of 1524 South San Fernando Road yesterday afternoon, commenting upon the number of them and the yards and yards of string sold lately.

G. WILEY COX IS IN L. A.

G. Wiley Cox of the South Glendale Dry Goods store, 1510 South San Fernando Road, was in Los Angeles yesterday buying stock.

LUMBERMEN WILL DINE

Department heads of the Bentley-Schoeneman Lumber company, 460 West Los Feliz Road, are scheduled to meet tonight for their monthly dinner at the Glen Inn.

Rondou & Libert Give 'Something Different'

Have you ever stood in front of a mirror door and admired the style it gives the boudoir?

Or have you noted the French doors and windows of many Glendale homes that indicate class?

Of course you have, and wondered where that work was done.

"The Little Mill," at 1211 South San Fernando Road, of which Rondou & Libert are proprietors, does this very work. They feature all sorts of light mill and cabinet work, including screens and sash, but it is the fancy, exclusive jobs they crave, for a cabinet maker is an artist.

When you want something that is "different" in the way of fixtures for the home, it will pay to motor over to The Little Mill and have these artisans show you how reasonably distinctive work may be done.

A. J. Thielen's Plant Gives Real Service

Repairs in the sheet metal lines and special jobs get immediate attention at the A. J. Thielen Sheet Metal Works, 1418 South San Fernando Road, one of the enterprising business institutions of the gateway section, which does work for the whole San Fernando Valley.

While Mr. Thielen is a resident of Eagle Rock, he has found that the center of activity in his line is in Glendale, and he has established a practical plant which he hopes to develop into a manufacturing establishment as the months roll by. Success so far has met his every effort.

THEY CANNOT STAY AWAY

"People are going to keep coming to California as long as there is a California," remarked B. G. Jackson yesterday at his automobile accessory store at San Fernando road and Central avenue. "If 1,000 leave, 2,000 come to take their places because all those who go away advertise the place."

Mr. Jackson recently remodeled the interior of his establishment so as to have more room in his repair shop. He says lots of people are going up over the ridge route again.

WANT TO GO A-FISHING?

If you want to go whale fishing, you will have to hire a Jonah for bait, according to J. M. Wilson of 1738 South San Fernando road, announcing the arrival of a complete line of fishing tackle. He says that the stock will consist of poles for both brook and surf angling and all necessary equipment. Whales? Well, he calls attention to the fact that cetacea are not fish, but mammals.

ENJOY PICNIC IN CANYON

Mr. and Mrs. R. R. McBurney, who operate the South Glendale Bakery at 1408 South San Fernando Road, C. M. Meach and family of 816 South Glendale avenue, and J. A. Daugherty and family of 756 South San Fernando Road spent Sunday upon a picnic in Pacoima Canyon and report a delightful time. Mr. Meach and Mr. Daugherty operate the Tropico garage at 410 West Los Feliz Road.

TO PLACE BATTERY SIGNS

George McLean, proprietor of the Triangle Garage at 1526 South San Fernando road, expects to install several large signs this week calling attention to Columbia and Ever-Ready automobile batteries. He is also awaiting the arrival of an ignition specialist from the factory of the National Carbon Company at San Francisco.

HAS DISPLAY FOR EASTER

C. L. Brenkman, the South Glendale electrician, is being advertised this week by a display in the window of his shop at 1524 South San Fernando road, which shows a cluster of colored electric lights in a nest. These are supposed to take the place of Easter eggs.

Repairs on Windshield Now Made in City

The J. & K. Service Garage at 1006 South Brand boulevard has inaugurated a unique service for the benefit of all motor car dealers in this city and that is a windshield repair department that will be a factor in service and time saved.

E. V. Jellison discovered that no shop in Glendale was rendering this service here, because he had to take broken glass over to Los Angeles for repairs. He soon decided it was only right that his shop should do a wholesale business in this line, the same as in jobbing rims and rim parts, tires, tubes and accessories.

A heavy investment was made in glass, the diamond point cutting machines and grinders necessary to properly cut the windshields and a specialist has been placed in charge of the department, the same as in the repair work, thus giving Glendale the best of its kind in the line.

Dr. James F. Winnard, New Pastor, In Charge

"Prospects are very bright," stated Dr. James F. Winnard of 457 Riverdale Drive, new pastor of the Tropico Presbyterian church, this morning. "I couldn't ask any bigger field. The home visitation work showed 200 Presbyterians in that neighborhood who are not lined up in any church. Regular services of the church will be held from now on, including the Wednesday night prayer meeting."

Dr. Winnard has been a resident of Glendale for the past year and a half. Before coming west he spent fifteen years in Tampa, as superintendent of the home mission work of the Presbyterian church in Florida. Before taking up that work he resided in Delaware county, Iowa.

MANY REQUIRE GLASSES

"Of the 75,000,000 school children in this country, 5,000,000 are in need of glasses," declared H. G. Ross, proprietor of the optical shop at 1422 South San Fernando Road. "This means that five million little ones in their first difficult years of school are 'fighting with broken swords.' It means that these children are doing their best, but are dragged down by eyes which can't see clearly. It means that out of every 100 children right here at home twenty are not able to bring their full energies to their work."

NEW VAULT IS INSTALLED

A new fire proof vault has been constructed in the office of the Bentley Schoeneman Lumber company at 460 West Los Feliz Road. The sides, floor and ceiling are of brick and the entrance is closed by a massive iron door which alone cost $200. The value of the entire vault is about $1000. It is large enough to accommodate all the important records and plans of the company.

MOTOR TO SIERRA MADRE

Mr. and Mrs. T. B. Reavis and their sons, Walter and Robert, of 1255 South Glendale avenue, motored to Sierra Madre Sunday.

GEORGE M'LEAN VISITS L. A.

George McLean, proprietor of the Triangle Garage at 1526 South San Fernando road, was in Los Angeles yesterday on business.

SECURES MORE EQUIPMENT

A new McFarland auto hearse of the latest type and a Chandler limousine have been added to the livery of the L. G. Scovern Undertaking company.

C. OF C. SECRETARY MAKES REPORT ON SECURING PLANT

Amalgamation of Two Industries and Bringing Concern Urged by Officials

(Continued from Page 1)

my further investigation revealed excellent management. J. J. Ferlin, president and general manager, is a man of high standing, responsible, and a splendid executive.

"I went from Modesto to San Francisco and there made an examination of a similar plant which Mr. Ferlin has under consideration of consolidating with the Power Implement & Machine company in forming the Glendale plant. This company makes a specialty of the manufacturing of all machinery auto parts, and at this time, I am informed, is the only concern west of Chicago manufacturing the special type bevel gear, a gear now universally used in all passenger cars. This is a large concern conducting in addition to their gear manufacturing, a general machine business. This company is housed in a building 50x 155 feet with an L 40x50 and they have outgrown their quarters and have no room to expand. They have perhaps, forty different automatic machines. They all look like new—many of them costing thousands of dollars. They also have a small foundry-welding plant, baking plant, hardening plant, stock room, sales room and office. This concern has been a going concern for the past fifteen or more years and is doing a large business. They are working at present about fifty people, all skilled mechanics.

"The assets of this company are given as $208,089, liabilities, $19,-704, leaving the net assets $188,-384.95. The president of this plant has built this business from its infancy, a splendid mechanic and and excelled executive.

Great Help to City

"The bringing of the Power Implement & Machine Works of Modesto to Glendale would be a great asset to the city, but, if these two splendid concerns could be amalgamated into one company, which these gentlemen propose to do, consolidating two large growing concerns with a combined net asset of practically a quarter million dollars, all in stock and equipment, carrying with it the managers and builders of each of the above concerns, both capable of managing the affairs of the company, its future could hardly be realized.

"During the course of my investigation it was brought out: First, that neither of these concerns had room enough to successfully operate their plants; second, the work of both plants is along the automobile line principally, and in the judgment of these men, they would have a larger field of operation in Southern California as 311,000 auto cars out of practically 800,000 in the state were in Los Angeles county and more than half in the five southern counties; third, this being an open-shop country, less labor troubles are anticipated.

"Glendale would be most fortunate in securing this industry. I feel warranted in predicting that if they should consolidate and move to Glendale in the very near future, they would be employing 100 people. Looking at this plant from every angle, I can see built here a great industry that will do great good to the city and bring handsome returns to those investing their money in the company."

New Names Submitted

The following persons and firms were submitted for membership in the Chamber at this noon's meeting:

Frank H. Christman, 130 North Maryland, Contracting and Building.

L. J. Christopher Co., Los Angeles Wholesale Ice Cream and Candy.

Frederick S. Colby, 130 South Brand boulevard, subdivisions.

Lee A. Dayton, 144-A South Brand boulevard, Attorney.

G. N. Fitch and C. W. McCart Manufacturing Co., (C. W. McCart), 413 West Arden avenue.

Maryland Storage Garage, (L. C. Drake), 125 North Maryland avenue, Storage, General Repairing and Battery Service.

O. M. Newby, Los Angeles, Real Estate.

Stees and O'Mealy (S. O. Stees), 141 South Everett street, Painting.

Suburban Realty Company, Inc., (Alfred R. Johnson), 508 South Brand boulevard.

Title Realty Co., (L. V. Pender), 415 East Broadway.

Valley View Woodworker, (S. W. Bobo), 626 West Colorado street.

Watson's Public Market, (Alex C. Watson), 818 South San Fernando road, Groceries and Meats.

Western Auto Supply Agency, (L. R. Pepperdine, V. P.), Los Angeles.

Whitney-Clough Co., (F. D. Whitney), 108 West Colorado street, Real Estate.

Eighty per cent of the failures to get long mileage from automobile tires can be traced to under-inflation.

According to the 1920 census, the density of population of the United States is 35.5 per square mile.

Progressive Banking that keeps pace with Your Requirements

WITH constantly growing facilities, this institution is adequately prepared to serve you in every banking matter that may arise in connection with your business or personal affairs.

WE offer you every convenience of modern banking methods, coupled with a cordial spirit of co-operation—the earnest desire of our organization to help you transact your business pleasantly and satisfactory.

WHETHER your requirements are large or small, it will be worth while to investigate the advantages of a banking connection here. We shall be glad to talk with you at your convenience.

Transfers of Service

The following requests for transfer of light and water service are on file in the public service department at the city hall: E. Waring, 410 West Cypress street, 125 Laurel street; C. Blanchard, 220 East Maple street, 615 South Pacific avenue; W. E. Dawson, 409 West Colorado street, 1002 San Rafael street; G. E. Brask, 130 South Adams street, 632 West Doran street; H. Anderson, 228 South Louise street, 141 West Acacia street; C. H. Davis, 114 West Broadway, 120 South Everett street.

The following are requests for installation of meters: A. N. Cline, 634 North Isabel street; C. E. Williams, 469 West Windsor road; S. C. Wheeler, 1127 East Harvard street; D. E. Dietrich, 430 Patterson avenue; City of Glendale, 1242 South Maryland avenue; R. R. Prittman, 516 West Dryden street; A. E. Woodmanse, 420 West Windsor road; K. Whytock, 333 North Geneva street; A. Ambrosini, 137 South Isabel street; J. Suppes, 1506 South Glendale avenue.

The following wish service: C. K. Mapes, 359 Patterson avenue; M. B. Dewar, 422½ West Windsor road; W. H. Sullivan, 326 West Eulalia avenue; Oris Hytle, 334 Salem street, A. M. V. Harvey, 510 North Central avenue; A. E. Reese, 532 Patterson avenue; Ray Fritzer, 225 South Orange street; G. D. Miles, 410 South Columbus street; Fred Evans, 418 Riverdale drive; D. C. Kramer, 114½ West Broadway; H. Anderson, 141 West Acacia avenue; C. H. Davis, 120 South Everett street; B. S. Shea, 932 South Central avenue; G. C. Mize, 412½ East Harvard street; M. Dayton, 804 South Brand boulevard; G. W. Mallery, 415 North Columbus avenue.

Four out of five "skidding" accidents are due to faulty brake adjustments.

One Price Yesterday, Higher Figure Today

Glendale business property now is selling at such a fabulous figure that a small mistake in the matter of several hundred dollars doesn't make much difference. In the report yesterday of $65,000 being paid for the premises occupied by the Jewel City Undertaking Company, the Brand boulevard frontage in this instance brought more than $660 per front foot, making an allowance for the worth of the building.

Gardening now has become a hobby with the former German emperor, who appears to have tired of sawing and chopping wood.

Life Saver Package Is Mounted on Wheels

O. V. Johnson, representing the Mint Products Company of New York City, N. Y., paraded Glendale yesterday with his advertising car which is an exact enlarged duplicate of the Life Savers package. With an eight-wheel bus traversing the city streets, not to mention a score or more of odd motor vehicles, Glendale people get an "eye full" every day now.

The giraffe is gradually disappearing in some parts of Africa. Where it was no uncommon thiing to see herds of eighty some years ago, it is now a rarity to see a herd of more than twenty.

STATE OFFICERS OF W. C. T. U. ATTEND SOCIAL SESSION

Urge Passage of Wright Bill In November; Organization Efforts Are Outlined

(Continued from Page 1)

would be conveyed to the state officers at that time. Mayor Robinson was invited to speak, and also to sing, at the state convention.

Program Is Pleasing

As the meeting last night was of a social nature, other musical numbers interspersed the various talks, including vocal numbers by Dr. Henry Harrower, "Where the River Shannon Flows" and "Where My Caravan Has Rested."

The state vice president of the W. C. T. U., Mrs. Julia D. Phelps, was the introduced by Mrs. Yeoman. Her talk in part was as follows:

"The work of the W. C. T. U. has had a strenuous past, a responsible present and an expanding future. Its strenuous past has been in fighting the liquor traffic. Years ago the W. C. T. U. had instituted in the schools the scientific teaching of the evils of alcohol upon the human system. This was largely responsible for the defeat of the liquor interests, and the passage of the eighteenth amendment.

"Although the battle is won, the war is not over. We cannot consider having established that amendment firmly and for all time until all of the people everywhere have been convinced of the fact that alcohol is a poison and always harmful, even in light wines and beers, the continued use of which has the same effect as the use of distilled liquors. Although the eighteenth amendment is in the constitution, it takes education of the people to keep it there. That is the responsible present of the W. C. T. U. The teaching of scientific temperance must be continued with the children the same as the teaching of mathematics or English. The problem of the immigrant must also be faced, especially in teaching that all alcohol is bad and since the United States government prohibits its use it is loyalty to the government not to want it, use it or make it.

For Law Enforcement

"California today is one of the three states which have not passed a state law for the enforcement of the eighteenth amendment. Through some neglect such a law which was submitted to the voters two years ago did not pass. A similar law will be presented again at the election in November. California is the only state where the legislature passed an enforcement law which was defeated by the people.

"The World W. C. T. U. idea was conceived by Frances Willard when she was in San Francisco. It was organized and has been at work since 1883. It is the only temperance organization established in all of the other countries, as well as this. That is part of the expanding future."

Mr. and Mrs. Harry Girard, whose appearance on programs is always greeted with applause, were then introduced. Their duet numbers were "Ever Near Us" (Abt) and "Days of Long Ago." As an encore they sang "Mother Love," one of Mr. Girard's own compositions. Mayor Robinson and Mr. Girard also sang a duet, "Beautiful Isle of Somewhere." Mr. Girard's solo number was "Believe Me If All Those Endearing Young Charms."

Mrs. Hattie C. Young, state recording secretary and who is also the field secretary of the W. C. T. U., was the next speaker of the evening. She stated:

"The W. C. T. U. has found the liquor traffic interests have a five-pointed star campaign worked out, the main features of which are:

"One—To place in every precinct in the United States a representative whose duty shall be to crystallize and organize, if possible, all of the sentiment against the eighteenth amendment.

"Two—A concerted well-financed project for violation of the eighteenth amendment and which means the violation of all law.

"Three—Bribery of officials, especially those appointed for enforcement of the eighteenth amendment.

"Four—A newspaper propaganda in regard to the benefits of prohibition.

"Five—Amendment to the Volstead law which will permit the manufacture and sale of beer and wine.

Foe Is Being Faced

"These five things the liquor people are carrying out and this is the foe that is being faced in California. It is not only a question of wet and dry, but a question of law and lawlessness."

Mrs. Young also told of the splendid work being done at the Soldiers' and Sailors' Home, which has been established by the W. C. T. U. in San Diego, and of the Frances Willard home in Los Angeles. She also stated the evils of the tobacco habit.

"The W. C. T. U. is crusading against anything that has to do with injury to a child," she said." Their work includes four big points:

"One—That the child shall be well born.

"Two—That the child has the right to be educated and protected against child labor.

"Three—That the child has the right to be morally safeguarded.

"Four—That the child has the right to be spiritually trained."

At the conclusion of her talk Mrs. Young had charge of the securing of pledges for donations to further the work of the W. C. T. U., after which refreshments of ice cream and cake were served.

The foot of the original species of the horse was a little larger than that of the fox.

Don't miss seeing the demonstration of the life saving suit at the Glendale Theatre tonight.—Advertisement.

COMMENT -THAT'S ALL

More 'Forward' Movements Better Yet With Your Aid Get What You Go After Compensations and Service

By Gil A. Cowan

ACTIVITY in both Brand boulevard and Broadway business property which is noted in the columns of The Glendale Evening News encourages prospective home builders.

The big program announced by the Glendale Sanitarium is another boost, especially for that portion of the city east of Brand boulevard and extending to the city limits.

Glendale is growing as it has never grown before, and the most conservative estimates of the population in 1930—seven years hence—are not less than 100,000 people.

In ten years, it will be 150,000, and an awful lot of us are going to live to see that halycon day when it will take first rank as a suburb of Los Angeles.

And let it be said right here that there is no better time to plan for the future than right now, both as individuals and as a municipality and metropolitan section.

Let the watchword be, "Prosperous Glendale, Straight Ahead."

These forward movements are interesting.

More of them, please.

They provide news.

Thank you!

Keeping the tempo, as it were, in such a blooming burg is some little task for the staff of The Glendale Evening News.

Setting the metronome for six-eight time on local affairs, keeps about six or eight people busy hustling the news from one source or another.

As a result, however, visiting newspapermen are unanimous in their decision that no better "home town" publication is issued in the country. Yet the best is none too good, and with your patronage, your co-operation and our earnest endeavor each day, each week, each month and year should see something better.

A father was speaking of his son yesterday afternoon. The boy is ambitious. Part of the film plant in which he was working closed down. He was offered an inferior position.

"Don't go backwards, son," was his father's advice. "Go after a better job or you'll be janitor." He took the hint and tried for the better work. He got it, principally because he tried.

The other fellow who lets opportunity slide slides with the same drift and soon ends up at the foot of the tortuous climb to success. He has to begin all over again through his own and others' thoughtlessness.

Some sons are inclined to fly pretty high these days.

The telegraphic reports tell of little Johnny Lofton, who lives in Callahan County, Texas, being drafted by the vortex of a cyclone and carried 200 yards where he landed in a haystack.

In comparison to the radio that might be called transportationless travel. More than once you have likely wished you could "yump" 200 yards and into evening dress when a party is about to be missed.

But the chances are you would be more mussed up than Johnnie Lofton if such "yumps" were possible. There are compensations in having only one pair of hands, one brain, and only two legs on which to travel.

Here is a short sermon on Service, copied from the Hollywood Daily Citizen, which you will agree is worthy of the Comment Column:

"One of the country's great life insurance companies rightfully boasts of its accomplishments in reducing the death rate among its policy holders through teaching them how to improve and safeguard their health.

"Here is a service that is worth paying for.

"One takes out a life insurance policy not because he wants to die, bue because he isn't yet ready, and when an insurance company in addition to offering protection in event of death seeks to enable a policy holder to put off the eventual day it is giving a commendable service as well as benefiting itself."

Constance Talmage In 'Polly of the Follies'

If you like Constance Talmadge—and it's an odds-on bet you do—you'll be enchanted with "Polly of the Follies," the First National attraction which opens a run at the T. D. & L. Theatre today, and which is Miss Talmadge's latest starring picture. It's a little gem of comedy-drama in which the naive star does some of the best acting of her career in the humorous touches she adds to the original scenario prepared for her by John Emerson and Anita Loos.

There are thousands of Pollies in America, all waiting for their opportunity to scintillate in electric lights, but not all of them have Polly's opportunity. Some of them do. Some of them meet the fate Polly encounters and some of them can tell a different story.

The idea of a country girl yearning for footlight fame is a sure-fire angle and the authors and star have evolved it from another point of view than that usually found in such stories.

Another Victor Dog at Glendale Music Co.

The Glendale Music Company at 109 North Brand boulevard has added another Victor dog to its family. It stands at the door listening for "its master's voice." The other dog, which stood there before it, had its nose knocked off at the police station, it is rumored.

For correct styles, right prices, visit BUSHNELL MILLINERY PARLOR, 1510 S. Brand.—Adv. 4-15

Miss du Pont Stars On Glendale's Screen

With the swirling sea around a lighthouse reef as the background, a strong drama of three happiness-seeking hearts is now reflected on the screen of the Glendale Theatre in "False Kisses," a Universal special attraction starring Miss du Pont today only.

"False Kisses" is realistic. It is vivid. Most of all, it presents a germ of analysis in a day when the screen play is still thought of chiefly as a medium of entertainment, of simple pleasure without meaning or benefit. Wilbur Daniel Steele wrote "False Kisses" as "Ropes," a one-act play. It was published in Harper's Magazine, and aroused broadsides of comment. It was bought for the use of Miss du Pont, remembered for her starring vehicle, "The Rage of Paris."

"Are You An Elk" is the offering of Herbert P. Bethew and Our Players, the popular stock company which presents farce comedies in tabloid every Tuesday night. Every Brother Bill will likely be there to see this fraternal scream.

The pope's daily average of letters is 22,000, and these are dealt with by twenty-five secretaries.
